

State Bar of Michigan - Aviation Law Section: Pilot Seminar

A review of selected FARs that are difficult to understand, misunderstood, recently changed, and most likely to trap the unwary. A sampling of topics include: FAA's Security and Investigation Division; NASA's ASRS program; lost communication procedures; liability issues; NTSB accident reporting; and, enforcement procedures and strategies.

Directions: The Oakland County International Airport - Main Terminal Building, J. David VanderVeen Conference Room. The Main Terminal Building is located midfield south of runway 9R-27L and just east of the tower. Park your aircraft on the ramp immediately east of the building and south of taxiway Bravo.
